to Handicap

Introduction

Crypto for Islam is a crypto-based donation platform that is built over a smart contract program that runs on the Binance Smart Chain (BSC). Crypto for Islam is the only platform that accepts crypto payments for Islam and donates every single penny donated for the welfare of Muslims.

This report is based on monthly requests that are fulfilled by our charity, and includes the most recent aid provided. It has the full data of the work done by our platform in September 2022.

We hope you find this report both topical and useful – if you do have any questions, comments or suggestions, please contact the team at cryptoforislam.com

About Us

Crypto for Islam is the only platform that accepts crypto payments for Islam and donates every single penny donated for the welfare of Muslims. We spend 100% of the donations received on the welfare of Muslims around the world. All the money donated will be used in our various programs with the input of the volunteers.

WE ARE CHANGING THE WAY HOW DONATIONS WORK.

REPORT SEPTEMBER 2022

"Changing the way how donations work"

As a leading voice in the crypto space, Crypto for Islam is committed to helping the community and responding to the challenges now faced by thousands of people across the World.

We are changing the way how donations work, and we need to understand how people are reacting to this new way of charity donations. That is why we place such a value on this report. We are doing this in order to contribute to the world and to highlight the valuable work being done by charities and communities

Crucially, this report also informs Government, policy-makers, and fellow charities, in order to foster the collaboration that we know, is necessary to advance important initiatives, identify challenges, spark digital innovation and ultimately improve lives

**Total Amount given to Volunteers
in September 2022**

Donations

Donated to Flood victims in Pakistan on August 2022

Extremely heavy rainfall in Pakistan has resulted in catastrophic flash flooding leaving one-third of the country underwater. Over 6 Million population suffered from the disaster.

Donated to supply food in Somalia

Decades long conflict, drought, and famine has left the people of Somalia facing an unrelenting food crisis. With over 12 Million people living in the horn of Africa at the risk of being affected by malnutrition.

Donated to help a cancer patient in UK

Sara has been suffering from a rare type of cancer Leiomyosarcoma. We started our donation drive in August Second week, since then we have donated \$5000, and we are working to get more help.

Donated to install water supply in Bangladesh

More than 1.8 Million people in Bangladesh lack access to an improved water source, and 36 Million lack improved sanitation. We have donated \$3000 to install multiple handpumps.

Donated to Our Volunteer to help local community

Donating to support those around you is beneficial for you and your community. Our volunteers all across the world help us know the people who need help in local communities so we can help them.

Donated to provide wheelchairs

Every wheelchair donated is the opportunity for someone to experience the love and hope of Allah! Our donation of mobility equipment will provide an opportunity for someone to attend school, market and became part of the community.

1.0 | Donated to flood victims in Pakistan on August 2022

2.0 | Donated to supply food in Somalia
